AMENITIES
At Trees Residences, you get the best deal. Experience the peace and privacy of its amenities while living in the middle of the urban jungle.

ONE STEP AHEAD

BE IN THE MIDDLE OF THINGS AT TREES RESIDENCES, WHERE BOTH THE NORTH AND THE SOUTH MEET.

The Trees Residences can be found in Novaliches, Quezon City — making it a neighbor to SM City Fairview for your shopping and commercial needs; and La Mesa EcoPark, where you can go picnicking with friends and family if you're in the mood to be one with nature. Need to buy groceries in a jiffy? Fret not, for Savemore is just right outside your door.

Commuting is also not a problem since Trees is readily accessible to the QC Memorial Circle, as well as major roads, thoroughfares, and transportation hubs. The proposed MRT 7 line is soon to rise nearby, thus connecting SM North EDSA to San Jose Del Monte, Bulacan via Quirino Highway.

A two-bedroom unit includes rooms side by side, a living room, dining space upon entry, and an area for the bathroom and kitchen.
